AMENDMENT PURSUANT TO 37 CFR 1.312

The instant application is allowed (Notice of Allowance dated 10/8/2004).

Applicant wishes to correct the preamble wording of claims 28 to 34. Claims 28-34 depend from claim 14 that is directed to a valve arrangement. The claims 28 to 34 added with the amendment dated 9/21/2004 erroneously recite "check valve" in the preamble. This error is being corrected with the instant amendment. Moreover in claim 19, a reference numeral has been deleted.

It is respectfully requested that the following claims listed on pages 2 and 3 of the amendment be substituted for the claims on file. The substance of the claims has not been changed.
